RE-OPENING A THOROUGHFARE.

In order to guard against results utterly subversive of health, it is absolutely essential that the grand thorougafare or avenue of the system. the bawels, should be re-opened as speedily as the liver becomes torpid; viscid bilious matter gets into the stomach, and produces indigestion; duced, which a prolongation of the exciting cause only tends to aggravate. The aperient properties of Hostetter's Stomach Bitters constitute a most useful agent in overcoming constriction of the bowels, and promoting a regular habit of body. It is infinitely superior to the drastic cathartics frequently used for the purpose, since it does not, like them, act violently, ut produces a natural, painless effect, which does not impair the tone of the evacuatory organs, which it invigorates instead of weakening The stomach and liver, also, indeed the entire system, is strengthened and regulated by it.
